### What Do You Need?

**What You Need:** "What Do You Need?" Activity Pages, pencils

### What You Do:

- Hand out Activity Pages and pencils.
- The left column shows someone with a need. The right column shows a way that need can be filled.
- Kids draw a line from the need on the left to the need being filled on the right.
- Spend some time talking about each situation.
- Ask kids what other needs the people in the scenarios might have.
  - For example, the kid who needed a hug might also need prayer.
  - The kid in the hospital bed might also need medicine.

### What You Say:

"These were all examples of things we need. We need water. We need prayer. We often need a hug. We need help when we're sick or we get hurt. We have all kinds of needs. The people around us can help give us what we need in these situations. And do you know who put those people in our lives? *(Pause.)* God did! He often fills our needs by using the people we love—our families, our friends, our Small Group Leaders, our neighbors. **[Bottom Line] God gives you what you need to keep going.**"

**[Make It Personal]** *(Tell kids about a time God gave you what you needed to keep going through something someone in your life did for you.)*
