

Pre-k Forgiveness Fish

What You Need: “Fish” Activity Pages, scissors, coloring supplies

What You Do:

- Have each kid color their fish.
- Have them cut out their fish from the “Fish” Activity Pages
- Explain that when they need to give or receive forgiveness, they can give the person a fish as a symbol. Maybe those people will then give it to someone else.

What You Say:

“Great fishin’ friends! **In our Bible story today, we heard about a time when Peter went fishing and saw someone on the beach. Did you pay close attention to see if you could figure out who he met on the beach. That’s right! It was Jesus!**”
